Communications:

Jim Stamas: Stamas has resigned from his position so he will not be attending the meeting tonight.

Township Assessor-Frank Roenicke: Brown stated that Roenicke is doing assessments in the area of Gordonville and Homer Road, working his way south.

Township Building Inspector- Gary Shaffner: Brown stated that Shaffner has issued two new building permits. One permit is located on Duncan Road and the other one is for Delbert Letson.

Township Code Enforcement Officer- Greg Proudfoot: Brown stated that Proudfoot has sent a couple of letters out to residents.

Planning Commission Chairman-Eric Gagne: Gagne reported that the Planning Commission is working on the Master Plan. Gagne gave a handout to the Board in reference to Data centers, battery storage systems and other industrial infrastructures. Gagne also sat in on a webinar pertaining to compliance to ADA township websites. Gagne informed the board of some of the requirements to be in compliance. The deadline for the updated website is April 26, 2027. Discussion included if the board wants to update the current website or eliminate the website. Gagne will investigate further into this matter and report at next month's meeting.

Old Business: None

New Business:

a. Update on EGLE Energy Grant:

Breasbois stated that the township has received payment in the amount of \$53,885.85 for the grant. Radosa will contact Pelton to verify this is the correct amount submitted.

b. Discuss Sealing Hall Parking Lot:

Mudd will obtain bids to seal entire parking lot and repaint the lines.

Public Comments: None
